Refund Policy

Aim:

This document outlines the SCT refund procedure. This refund policy applies to course fees only.

SCT membership fees:

These are non-refundable. The fees are set each year at the AGM.

SCT Course Fees:

1. Student withdraws from the course within 8 days of online access being granted – course fees will be returned less an administration fee of 10%.
2. Student withdraws from the course within 2 months of online access being granted – course fees will be refunded less an administration fee of \$200.
3. Students withdraws from the course more than 2 months after the course start – no refund will be given. An exception to this will be made if the first and second year CCP fees have been paid up front – in this scenario the fees for the second year will be refunded.
4. If SCT is unable to provide a course for any reason, SCT will refund a pro rata amount within 10 working days of the course closure or cessation.
